PROFESSIONAL SUMMARY

Dedicated 7th-semester Information Technology student at Universitas Negeri Semarang with experience in academic mentoring and organizational leadership. Proven track record in facilitating technology learning for elementary school children and managing youth organization programs. Possesses strong communication skills, highly adaptable, and eager to contribute to a dynamic work environment.

WORK EXPERIENCE

Mentor at CodingKids Space

Oct 2024 – Dec 2024

- Guided and facilitated elementary school students in understanding basic programming concepts through interactive and accessible methods.
- Assisted students during hands-on practice, ensuring each child could follow the curriculum and complete simple coding projects.
- Communicated with fellow mentors and school staff to ensure the smooth execution of teaching and learning activities.

ORGANIZATIONAL EXPERIENCE

Rohis at SMA NEGERI 7 DEPOK

Jan 2019 – Jan 2021

- Led and coordinated division members in planning and executing various spiritual and outreach programs.
- Initiated the creation of materials and outreach strategies tailored to be relevant and engaging for members.
- Managed schedules for regular meetings and evaluated the execution of each activity for future program improvements.
- Spearheaded a major Islamic holiday celebration event, successfully overseeing the planning, coordination, and execution.
